From Djoef Publishing : Collective Agreement and Competition in the EU: The Report of the COLCOM-Project before purchasing it in order to gage whether or not it would be worth my time, and all praised Collective Agreement and Competition in the EU: The Report of the COLCOM-Project:

The book is a study of the relationship between competition law and collective agreements in the European Union.

About the Author Niklas Bruun is Professor of Private Law at the University of Helsinki. From 1993 to 2007 he was linked to the Swedish National Institute for Working Life as an Academic supervisor for EU Labour Law research.
