The healthcare legislation passed in 2010 was passed in two bills which included the Affordable Care Act (ACA) and the modifications that were passed as a compromise bill. After the ACA was modified, the legal staff of the US House of Representatives put together a document that combines the parts of the bill that relate to healthcare. This is the first volume of a two volume set. This document is of the Patient Protection and Affordable Care Act (PPACA; Public Law 111148) consolidating the amendments made by title X of the Act and the Health Care and Education Reconciliation Act of 2010 (HCERA; Public Law 111152). The text of the Indian Health Care Improvement Reauthorization and Extension Act of 2009 (S. 1790), as enacted (in amended form) by section 10221 of PPACA, is shown in a separate, accompanying document. This copy is being made available in a convenient format.
