Robert E. Keeton : Computeraided and Workbook Exercises on Insurance Law (American Casebooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Computeraided and Workbook Exercises on Insurance Law (American Casebooks):

This softbound volume, by Professor Robert F. Keeton, contains problems, exercises, and background information pertaining to tort law and its application in specific insurance cases. In addition to confirming and supplementing knowledge, the book explores the use of computerized learning aids. A Table of Assignments helps you quickly locate

the materials you need.

About the AuthorLangdell Professor Emeritus, Harvard University.
