Geoffrey R. Stone, Pamela S. Karlan, Louis M. Seidman : Constitutional Law 2002 Supplement, Fourth Edition

before purchasing it in order to gage whether or not it would be worth my time, and all praised Constitutional Law 2002 Supplement, Fourth Edition:

0 of 0 people found the following review helpful. SucksBy AtrainLot of fluff, you're better off reading a guide where you get the same information reading about 1/50th as much, plus you can actually have problems to test your knowledge. This textbook is bullocks.0 of 0 people found the following review helpful. the most annoying thing about this book is how heavy it isBy Customerthe most annoying thing about this book is how heavy it is. the pages have a shiny finish which I think makes the book 2x as heavy as similarly sized casebooks.0 of 0 people found the following review helpful. I think it was HORRIBLE. It provides no clear explanations and made the ...By HemarMost of the 5 star reviews are about the condition of the textbook rather than the content. As a law student who had to use this book, I think it was HORRIBLE. It provides no clear explanations and made the course it much more difficult than it needed to be. I relied heavily on supplemental materials and stopped reading the textbook altogether.

Constitutional Law: 2016 Supplement

"Max Mintz, in sparkling prose, reminds us that war on the frontier of Revolutionary America was vitally important and that the Iroquois side of the story demands further investigation."-Don Higginbotham, University of North

Carolina" Packed with juicy nuggets of detail and clearly the result of prodigious research in primary sources."-
"William and Mary Quarterly", "Mintz's extensive knowledge of Revolutionary War figures and his gift to make them
live illuminates descriptions of Gen. John Sullivan, Mohawk Joseph Brant, and others."-"Library Journal", "In an
unsparing and meticulously researched narrative, Mintz confronts the hard facts of a seamy side of the Revolution, a
warfare in which both sides aimed at desolation and succeeded."-Edmund S. Morgan, Yale University"Max Mintz's
fascinating account is packed with colorful details. A lively narrative that succinctly traces the twists and turns of the
wilderness warfare that raged on the northwestern frontier of the Confederation. A wonderful, fast paced read about an
important dimension of the revolutionary struggle that has finally received the attention it deserves."-Richard Buel Jr.,
Wesleyan University

About the Author
Chris Stone (cjstone@mac.com) is a Senior Systems Administrator (the Mac
guy) at O'Reilly Media, Inc. and coauthor of Mac OS X in a Nutshell. He's written several Mac OS X related articles
for the O'Reilly MacDevCenter, and contributed to Mac OS X: The Missing Manual from Pogue Press. Chris lives in
Petaluma, California with his wife, Miho, and two sons, Andrew and Jonathan.

Chris Seidman serves as the Lead
Minister for The Branch, a multi-site church (membership of 2000+) in Dallas, Texas. His wife his Tara and they are
the parents of three boys Skyler (12), Garrison (11), and Cooper (7). He has been with The Branch since January of
2001. In addition to The Branch, he has also preached for the Gateway Church of Christ in Pensacola, Florida; as
associate preaching minister for The Hills Church of Christ; and as campus minister for the Southern Hills Church of
Christ in Abilene, Texas.
