John Cartwright : Contract Law: An Introduction to the English Law of Contract for the Civil Lawyer before purchasing it in order to gage whether or not it would be worth my time, and all praised Contract Law: An Introduction to the English Law of Contract for the Civil Lawyer:

0 of 0 people found the following review helpful. AWESOME BOOK!! POWERFUL!!By Brandyn WicklumGreat book! I choose this book to empower myself and learn how to contract properly. Its important because we contract

everyday!!

This book is designed to introduce the lawyer who is trained in a civil law jurisdiction to the method of reasoning in the common law, and in particular to the English law of contract. It is written primarily for the lawyer - whether student or practitioner - from another jurisdiction who already has an understanding of a (different) law of contract, but who wishes to discover the way in which an English lawyer views a contract. After a general introduction to the common law system - how a common lawyer reasons and finds the law - the book explains the principles of the law of contract in English law covering all the aspects of a contract from its formation to the remedies available for breach, while directing particular attention to those areas where the approach of English law is in marked contrast to that taken in many civil law systems.

This is a well written, easy to read, up-to-date introduction to the English legal system and to the basic principles of the English law of contract...The book has sufficient length to provide good explanations and detail for practising lawyers; it also is sufficiently brief to allow a good picture of the whole and its interconnectedness to be seen. The book is highly recommended. Happy reading! Professor Tony Angelo New Zealand Law Journal May 2008 ...well written, in plain and easily understandable English and can give to the lay reader a simple but comprehensive outlook of English law of contract...a continental student can employ the book as a simple but engaging source of knowledge of the English system... Luciano Pontiroli Web Journal of Current Legal Issues December 2008

About the Author John Cartwright is Reader in the Law of Contract, University of Oxford, and Tutor in Law, Christ Church, Oxford; Professor of Anglo-American Private Law, University of Leiden; and a Solicitor.
