Robert M. Hardaway : Crisis at the Polls: An Electoral Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Crisis at the Polls: An Electoral Handbook:

Focuses on the procedural problems of our electoral system, including those posed by the computerization of voting systems. This work analyzes events in the electoral history of the US to reveal particular dynamics of democratic electoral systems that permit purportedly free and fair elections to subvert rather than express the public will.
