Excellent Book for Attorneys, Tribal Leaders and Labor LeadersBy Kate Fort"Indian country long has hungered for practical advice on how to modernize tribal governments, how to effectively assert tribal sovereignty, and how to forestall outsider influences on tribal business. Kaighn Smith's guide to labor law in Indian country is a dramatic step in the right direction, with solid legal analysis coupled with cutting-edge recommendations for tribal leaders and attorneys. This work is a rare breath of fresh air in an era of deep judicial and political skepticism about Native nations." --Matthew L.M. Fletcher0 of 0 people found the following review

helpful. A great work on Tribal/Federal labor relationsBy A. LeBlancA great work on Tribal/Federal labor relations. Good way to get up to speed on the Tribal labor practices.

The Native American Rights Fund and Drummond Woodsum MacMahon have jointly published *Labor and Employment Law in Indian Country* (2011), a comprehensive treatment of a growing and critically important area for sovereign Indian nations and anyone working in Indian country. Written by Kaighn Smith, Jr., with a foreword by John E. Echohawk, *Labor and Employment Law in Indian Country* addresses the affirmative and defensive aspects of tribal sovereignty involved in the governance of labor relations in Indian country. A separate part surveys the developing tribal law of employment regulation. Current and up-to-date, *Labor and Employment Law in Indian Country* is a must read for anyone involved in Indian affairs today. Commentators and scholars are heaping praise on this new book. Professor Matthew L. M. Fletcher, founder of Turtle Talk, writes, "Indian country has long hungered for practical advice on how to modernize tribal governments, how to effectively assert tribal sovereignty, and how to forestall outsider influences on tribal business. Kaighn Smith's guide to labor law in Indian country is a dramatic step in the right direction, with solid legal analysis coupled with cutting-edge recommendations for tribal leaders and attorneys.
