**Martin Dixon : Land Law QA (Questions and Answers)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Land Law QA (Questions and Answers):

This book demonstrates effective methods of answering typical examination and assessment questions. Each chapter is arranged so that basic principles are considered first, with more complex issues being dealt with once these have been mastered. This fourth edition contains new questions and has been substantially revised in the light of recent developments in land law. Most importantly, the Land Registration Act 2002 is given comprehensive consideration.

About the Author Martin Dixon, MA, is a University Senior Lecturer and Fellow in Law at Queens' College, Cambridge. He is also on the editorial team of *The Conveyancer*, the leading property law journal.
