I know President Franklin Roosevelt didn't have a state funeral but he did have a large military funeral with caisson included so it would have been nice to see his funeral included in this book.

Would be great if they could do another book with the state funerals of Presidents Johnson, Reagan and Ford and also the funerals of Presidents Truman and Nixon.

A history, reference and guide, describing funerals between 1921 and 1969 for civil and military officials and for the unknown servicemen of three wars. With 51 tables showing troop lists and routes for ceremonies, 1 chart, 134 diagrams, 123 illustrations.
