From Springer : Law and Reality:Essays on National and International Procedural Law in Honour of Cornelis Carel Albert Voskuil before purchasing it in order to gage whether or not it would be worth my time, and all praised Law and Reality:Essays on National and International Procedural Law in Honour of Cornelis Carel Albert Voskuil:

The contributions in this Liber Amicorum deal with questions of procedural law in an international context. They cover not only problems of international civil procedure and international arbitration, but also questions of administering justice in the domestic civil and criminal law contexts, as well as in the fields of public international law and European Law. As will be clear from the list of authors, these topics are dealt with in an outstanding manner, quality needs no praise.
