Colin F Padfield : Law: Made Simple (Made Simple Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Law: Made Simple (Made Simple Books):

1 of 1 people found the following review helpful. Five StarsBy GemzEXTREMELY Helpful BOOK!!! Certainly made learning simpler!!!2 of 2 people found the following review helpful. Simple and complete.By BeneharoA very simple and complete book about the law. With this book if you are a continental lawyer you can get all features of anglo-saxon law.0 of 0 people found the following review helpful. New editionBy Phillip Taylor MBEAN EXCELLENT PRIMER FOR ALL LAW STUDENTS EMBARKING ON THEIR LEGAL STUDIESAn appreciation by Phillip Taylor MBE and Elizabeth Taylor of Richmond Green ChambersDavid Barker has updated his excellent text book which explains the subject of law in easily understandable terms for students and non-students alike. As with all the Routledge text books, this particular title is probably the best on the market as an introduction to the way in which the Law operates in England and Wales.One of the main reasons why we consider the Routledge list of legal textbooks to be of outstanding value both in terms of cost and in content are the ways in which their commissioned authors (all legal experts) explain substantive legal issues in such a readable fashion.For both tutors and students, a decision on which textbook or revision book to use is always difficult but it is clear to us from the feedback we have received from students that the Routledge texts lead the legal field. Many of their titles also have excellent links to websites sometimes marked as companion websites which also add much assistance to the hard-pressed learner and is a great additional tool for all.We would also say that the formats used by Routledge for their books are very much of a mainstream formula for legal texts which eases the student into methods of legal reasoning for those just beginning

their legal studies and for all undergraduates: they certainly helped us with our preparation so do ensure you look very carefully at all the titles they have on offer! David Barker has been most successful in re-writing major parts of the original text for the 13th edition to reflect new and substantial legislative changes made by the two government administrations over the last seven years. The growth and influence of the European Union has also been well presented here to make this book the perfect introduction to this huge and complex subject for readers at different levels of study.
