0 of 0 people found the following review helpful. Lead On!By Wlliam TyndaleA fantastic collection of essays written by lawyers with disabilities. As a Law student with a disability, I often go back to this book for both inspiration and wisdom. The book has many different kinds of lawyers with many different practices.

This inspiring book contains letters of encouragement and advice from lawyers with disabilities to law students and new lawyers with disabilities. The writers share their perspectives on work and disability, based on their own experiences of success and setbacks.
