Joseph A. Bartlett, Peter L. Korn Jr., David J. Mittelstadt, Cathy L. Reese : Leveraged Buyouts (Securities Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Leveraged Buyouts (Securities Series):

A comprehensive overview of the leveraged buyout (LBO) process I strongly recommend this resource for MA, securities, and corporate collections. Ramon Curva, Senior Information Specialist, Cravath, Swaine Moore LLP, Legal Information Alert Whether you represent buyers, sellers or lenders, Leveraged Buyouts provides practical, in-depth answers to all of your questions as well as model documents for every contingency. This comprehensive guide explains each variety of leveraged transaction in detailits rationale, the advantages and drawbacks of the available financing and tax structures, corporate governance and regulatory issues, and the many legal issues that arise along the way. Coverage includes everything from the simplest transactions to trophy deals, including: buyout nomenclature; merger agreements; loan agreements; fairness opinions; registration rights; tax consequences; fraudulent conveyance

laws; material adverse change; corporate governance; and state and federal regulations. Leveraged Buyouts also provides sophisticated examples of the documents needed for private equity investors to acquire a public Delaware corporation from Equity Commitment Letters to a Senior Subordinated Note Indenture, and more. Whether you are trying to structure mezzanine financing, minimize taxable events for your client, or negotiate a break-up fee, Leveraged Buyouts has solutions that will save you time and help you draft the best possible documents for your transaction.
