Andrew McGee : Life Assurance Contracts (New Title S.) before purchasing it in order to gage whether or not it would be worth my time, and all praised Life Assurance Contracts (New Title S.):

Life assurance continues to be a topic of great practical significance, given the popularity of endowment mortgages and pensions, which contain an element of insurance, as well as the need for families to protect against the loss of their

breadwinners. Since the first edition of this book in 1995 much has changed, with a fundamentally new regulatory structure under the Financial Services and Markets Act 2000, changes in divorce and bankruptcy law, as well as continued developments in areas such as insurable interest and utmost good faith. All these developments are covered in this new edition, which at the same time retains the extensive coverage of the well-established principles of this area of law. Areas dealt with include insurable interest, disclosure, cancellation, intermediaries, marketing, assignment, surrender and pension policies. This new edition has been comprehensively revised and updated to take account of changes since the last edition was published.

About the Author Andrew McGee, Barrister is a Professor in the School of Law at the University of Manchester.
