before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Litigation Strategies for Immigration Issues: Leading Lawyers on Successfully Navigating Changes in US Enforcement Practices and Building a Strong Case (Inside the Minds)*:

Immigration law is never an easy area to tackle, and no one knows this better than the attorneys practicing in the field. It doesn't matter who your client is—be they foreign entrepreneurs, individuals seeking a better life, or families looking for refuge—they all encounter challenges with the legal system, including deferred action, visa issues, and even deportation. *Litigation Strategies for Immigration Issues* will help prepare you to address the obstacles your clients face, while also giving you timely information about the changes in legislation that will impact both your future clients and your future practice. This book contains the perspectives of lawyers nationwide, offering insight on investigating immigration cases and incorporating recent changes into your practice. These experts analyze the laws for immigration reform and offer tips for defending your clients against removal. They also offer specific advice on updating client information with the United States Citizenship and Immigration Services (USCIS), understanding new US enforcement priorities, navigating the adjustment of status process, and identifying inadmissibility issues. With this book, you will not only be up-to-date on the latest legislative trends, you will also have a complete guide to overcoming the challenges presented by this evolving practice area. *Inside the Minds* provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters include: 1. Brent W.
