Harry Hammit : Litigation Under the Federal Open Government Laws (FOIA) 2004: Covering the Freedom of Information Act, the Privacy Act, the Government in the Sunshine Act, and the Federal Advisory Committee Act

before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Litigation Under the Federal Open Government Laws (FOIA) 2004: Covering the Freedom of Information Act, the Privacy Act, the Government in the Sunshine Act, and the Federal Advisory Committee Act*:

1 of 1 people found the following review helpful. Excellent FOIA and Privacy Act reference  
By Issa Mikel  
This is an excellent resource for those submitting FOIA or Privacy Act requests and/or engaging in litigation under either act. It explains the legal framework, offers guidance on submitting requests, handling appeals, and many aspects of litigation. It offers both help with the legal It probably needs to be updated by now and is not exhaustive, but is very thorough and helpful to anyone who has to deal with these confusing areas of the law. It might be a little confusing in places for non-lawyers, but I think would be generally helpful for anyone.

*Litigation Under the Federal Open Government Laws*, published by EPIC and the James Madison Project, is the standard reference work covering all aspects of the Freedom of Information Act, the Privacy Act, the Government in the Sunshine Act, and the Federal Advisory Committee Act. Now in its 21st edition, the book is edited by Harry Hammitt of Access Reports and it draws upon the expertise of practicing attorneys who are recognized experts in the field. Appendixes include the text of the relevant acts, and sample pleadings for litigators. A comprehensive guide, essential for anyone interested in open access laws.
