before purchasing it in order to gauge whether or not it would be worth my time, and all praised Main Street Renewal: A Handbook for Citizens and Public Officials:

The articles collected here illustrate techniques of organization and management, describe the tools required for

successful main street renewal, and provide case studies of many successful programs from across the country.

About the Author A municipal chief executive for Meriden, Connecticut, Roger L. Kemp lectures and writes from his accumulated experience of a quarter century in local government operations.
