I have been able to apply what I've learned directly to client counseling. 2 of 3 people found the following

review helpful. Great Overview and right amount of detailBy MollySI bought this to study for my MA final and I was so happy that it covered most everything that we discussed in class and that it went into the right amount of detail. I hate when a supplement glosses over things or if it is too in depth to allow you to learn a subject quickly. I got an A in the class so I would definitely recommend it. I don't think it will cure every gap in knowledge but it is a great resource for studying.

This text provides a concise statement of the the state corporate and federal securities laws governing mergers and acquisitions law designed for law students taking an advanced business law course such as mergers and acquisitions or corporate finance, lawyers practicing in corporate takeovers, and judges faced with cases arising out of such transactions. This thoroughly updated third edition features a considerably expanded treatment of practical aspects, such as drafting merger agreements, preparing disclosure documents, and dealing with takeover defenses.
