**Marge Fraser, Marge A. Fraser : Michigan Real Estate: Principles and Practices** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Michigan Real Estate: Principles and Practices:

0 of 0 people found the following review helpful. Four Stars By Camilla Maygood 0 of 0 people found the following review helpful. All you need! By Shwana Wilson Exactly what I needed. This is a winner! 2 of 2 people found the following review helpful. Great overall resource book! By K. Stanley Contains lots of information about real estate in Michigan. It is basic, but covers a lot! Great book for those getting into real estate.

This book covers Michigan real estate laws, rules and practices. It is a comprehensive study of the practice of real estate in Michigan. It discusses ownership; property concerns (easements, encumbrances, restrictions, taxes, wetlands, environmental issues, and land use controls); contract law; financing; property management; taxes; Michigan real estate license law; and fair housing. There are quizzes at the end of each chapter and two 100 question quizzes at the

end of the book to reinforce the content learned. It contains a detailed glossary and index. The appendixes discuss environmental issues and the state exam.
