John Vrachnas, Mirko Bagaric, Penny Dimopoulos, Athula Pathinayake : Migration and Refugee Law: Principles and Practice in Australia before purchasing it in order to gauge whether or not it would be worth my time, and all praised Migration and Refugee Law: Principles and Practice in Australia:

Migration and Refugee Law: Principles and Practice in Australia is a comprehensive overview of the legal principles governing the entry of people into Australia. This fully revised third edition provides an accessible analysis of the

theory and practice of this complex and controversial area of the law. It considers the social and political context of migration and refugee law in devising innovative policies aimed at creating an equitable and rational immigration system. *Migration and Refugee Law: Principles and Practice in Australia* combines an astute consideration of theory with the creation of practical policy solutions, and is therefore an essential resource for migration lawyers and agents, government employees, students, judicial officers and policymakers.

'*Migration and Refugee Law* is a thorough examination of immigration and refugee law in Australia, taking pains to articulate a dichotomy between the two that the authors admit is 'nonexistent at a formal level'. While refugee law is not extensive, it is complex and contentious, and it is treated accordingly in this text, of which roughly half is devoted to issues relating to claiming asylum.' *Migration Australia*

About the Author
John Vrachnas was a full-time member of the Refugee Tribunal for more than ten years and currently practises as a solicitor in Victoria with a migration and refugee practice.
Mirko Bagaric is Professor of Law at Deakin University and has worked as a part-time member of both the Migration Tribunal and the Refugee Tribunal.
