Christos Mantziaris, David Martin : Native Title Corporations: A Legal and Anthropological Analysis before purchasing it in order to gage whether or not it would be worth my time, and all praised Native Title Corporations: A Legal and Anthropological Analysis:

As a result of certain provisions in the Native Title Act 1993, every successful group of native title claimants must form a corporation to manage the native title. This book combines conventional legal analysis with hands-on anthropology and corporate governance know-how to provide practical guidance on this issue.
