American Immigration Lawyers Association : Navigating the Fundamentals of Immigration Law, 2008-09 Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Navigating the Fundamentals of Immigration Law, 2008-09 Edition:

"Navigating the Fundamentals of Immigration Law" provides basic, "how to" information on family-sponsored and employment-based immigration, as well as select nonimmigrant visa categories. "Navigating the Fundamentals of Immigration Law" (formerly "Selected Fundamentals"), will help you confidently take the helm of your immigration law practice. This essential publication provides a practical understanding of definitions, terms, acronyms, and procedures-a must when starting your immigration law career. It provides a solid foundation to build your knowledge of immigration law issues and is an excellent choice for new lawyers and practitioners new to the field, law students, paralegals, and other law office staff. "Navigating the Fundamentals of Immigration Law, 2008-09" is the basics practice handbook for the 2008 AILA Annual Conference. Class Adoption-"Navigating Fundamentals" is an excellent teaching tool for law schools and asylum law clinics. Contact AILA Publications for information on discounts for class-adopted texts.
