Tina L. Stark : Negotiating and Drafting Contract Boilerplate before purchasing it in order to gage whether or not it would be worth my time, and all praised Negotiating and Drafting Contract Boilerplate:

0 of 0 people found the following review helpful. Great for lawyers and non-lawyersBy rocknrickVery good layout and compilation of critical contract topics; very easy to read and understand, too. I purchased a bunch of different contract books (for lawyers and non-lawyers), and this is my favorite. I especially appreciated the CD attached to the back of this book -- with boilerplate language that can be used or customized for your own agreements.30 of 33 people found the following review helpful. Practical advice backed up by legal reasoningBy A CustomerThis book contains legal background and practical advice for drafting and negotiating many basic contract provisions, such as indemnification, limitations on remedies, and the like. The text is organized and laid out in an easy-to-use format, and the book comes with a CD that includes the template provisions.The next edition should include a chapter on

termination provisions3 of 5 people found the following review helpful. Go-To GuideBy MattI have been drafting contracts for more than twenty years, and this is as good a guide as i have ever seen. Very practical, very helpful.

This resource serves to educate lawyers and business professionals on how to draft the many types of boilerplate provisions, a legal term that refers to the standardized, one-size-fits-all provisions of a contract. Each chapter tackles one of 20 provisions and analyzes why it is important, the key legal and business issues raised, and how to draft the provision to suit a particular transaction. Such analysis not only helps readers better understand how to draft these provisions in their contracts, but also helps them better understand the other party's process.

About the AuthorTina Stark, Esq., is an adjunct professor of law at Fordham University School of Law and the president of Inhouse Legal Education, Inc. She lives in New York City.
