Gerard van Bortel : Networks and Fault Lines: Understanding the role of housing associations in neighbourhood regeneration: a network governance perspective before purchasing it in order to gauge whether or not it would be worth my time, and all praised Networks and Fault Lines: Understanding the role of housing associations in neighbourhood regeneration: a network governance perspective:

This issue of A+BE aims to increase our understanding of the role of housing associations in neighbourhood

regeneration governance networks in the Netherlands and England, to explore how that role is influenced by the respective societal contexts, and formulate recommendations to improve their involvement in vulnerable neighbourhoods.
