gage whether or not it would be worth my time, and all praised *New Developments in Securities Litigation*, 2014 ed.: *Leading Lawyers on Adapting to Trends in Securities Litigation and Regulatory Enforcement (Inside the Minds)*:

New Developments in Securities Litigation provides an authoritative, insider's perspective on the changing state of both regulatory enforcement and civil litigation in the securities arena. Featuring partners from some of the nation's leading law firms, this book guides the reader through the latest trends, such as the increased focus on real estate deals, the growing number of class action filings, and the impact of new securities laws. From helping clients to draft sound policies and procedures to developing working relationships with regulators, these experienced lawyers discuss ways to keep securities clients safe from litigation. Additionally, these experts discuss the state of securities litigation and enforcement in the wake of the financial crisis, and speculate on upcoming changes in this field. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these top attorneys offer their opinions and expertise on this complex area of law. *Inside the Minds* provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1.
