This annual, all-in-one guide about benefits legislation and regulations has become well-established over the years. Its focus remains the non-means tested benefits provision which raises issues before Social Security Appeals Tribunals and the courts. The text includes all relevant statutory material, decisions of the courts and the Commissioners, and definitions of key provisions. A comprehensive index, and tables of cases and decisions are included for easy reference. Each annual edition is additionally updated by means of a supplement to ensure you keep up to date with the latest developments.
