Gave us the knowledge to get the initial judgement and the second cause for the additional damages.1 of 1 people found the following review helpful. Necessary For RentersBy Eric E. WillisonFrederic White has covered just about everything in here. While the book may take a long time to ship, it is worth whatever wait you have to endure. You probably have a year long lease anyway. The book provides an excellent overview to Ohio Landlord Tenant Law, and gets into specifics as well. If you have a question, this book very likely has your answer if you are serious about finding it. An excellent reference manual. I have it in my law office to this day.

This comprehensive resource examines all aspects of the landlord-tenant relationship issues. It's written in an easy-to-read question-and-answer format. Questions are presented as situations that landlords or tenants are likely to encounter. Significant cases from other states are also mentioned. Topics include lease applications, lease and rental agreements, tenant and landlord letters, rent deposits, and pleadings.
