**Katherine L. Hall, Sara Sampson : Ohio Legal Research (Legal Research Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ohio Legal Research (Legal Research Series):

0 of 0 people found the following review helpful. Helpful book for general OH research By Lisa Schreihart Helpful in my legal research class for school. Didn't delve into all sections yet, but they will probably be helpful depending on what I'm researching. Not sure that I want to give it 5 stars yet, but considering what my class would have been like

without it, I'll give it 5 stars.
