However if you have read other Horatio Alger offerings as I have this one seems almost trite. In direct contrast to our hero's rise run the fortunes of his smug and haughty adversaries. Still, it's nice to know there'll be a happy ending, and that good guys win.1 of 1 people found the following review helpful. ONLY AN IRISH BOYBy Angelred1I think this book was very readable and enjoyable. I liked Andy Burke and felt like I would like to know him. His charracter is well developed.
