**From Lawrence F. Hughes :** **Passenger Ground Transportation: Statutes and Regulations** before purchasing it in order to gage whether or not it would be worth my time, and all praised Passenger Ground Transportation: Statutes and Regulations:

Passenger Ground Transportation: Statutes and Regulations is designed to provide students with the most relevant provisions of law relating to ground transportation of passengers, and to do so in a reasonably compact volume with extraneous provisions omitted. It is intended to accompany the casebook Transit Law: Cases and Materials, but it may also accompany materials for other courses related to the transportation of passengers overland.

About the AuthorSteven A. Diaz is adjunct professor of agency practice and transit law at University of Pittsburgh

School of Law. He is former chief counsel of the Federal Transit Administration. Lawrence F. Hughes received his J.D. and LL.M. in Taxation from New York Law School, and his M.S. in Transportation Planning and Engineering from New York University Polytechnic Institute. His articles related to public transportation and its history have been published in Transportation Law Journal and Motor Coach Age.
