**From Peter H Schuck Rainer Munz : Paths to Inclusion: The Integration of Migrants in the United States and Germany (Migration Refugees)** before purchasing it in order to gage whether or not it would be worth my time, and

all praised Paths to Inclusion: The Integration of Migrants in the United States and Germany (Migration Refugees):

The series is rounded off by this volume which focuses on "immigrant" policy, i.e., the ensemble of institutions, laws and social practices that are designed to facilitate the integration of immigrants and refugees into the receiving countries after they arrive. The chapters bring both theoretical and empirical analysis to bear on the processes of assimilation, migrants' development of transnational linkages, patterns of social and economic mobility in the immigrant and second generations, migrants' rights to public benefits and equal status, and the laws of citizenship in the two countries. The volume is highly interdisciplinary, drawing on the research of demographers, lawyers, and sociologists. It is also explicitly comparative, underscoring the similarities and differences in how the United States and Germany conceive of the role of immigrants in their societies and how the two nations incorporate them into civil and political society. Introductory and concluding chapters highlight the principal themes, findings, and policy implications of the volume.

"Interesting and highly readable prose ... A boon to historians, socio-logists, political scientists, and those interested in public policy." Choice  
About the Author Peter H. Schuck is the Simeon E. Baldwin Professor Emeritus of Law and Professor (Adjunct) of Law at Yale Law School where he has held the chair since 1984. He has also served as Deputy Dean. His major fields of teaching and research are tort law; immigration, citizenship, and refugee law; groups, diversity, and law; and administrative law. Rainer Mnz is Head of Research Knowledge Center (Erste Group), Non-resident Fellow of the Migration Policy Institute, Washington DC, and Senior Fellow at the Hamburg Institute of International Economics (HWWI). He studied at Vienna University, where he earned his PhD in 1978. In 1979 he joined the Austrian Academy of Sciences. Until 1992 he was director of the Institute of Demography at the Austrian Academy of Science. Between 1992 and 2003 he was head of the Department of Demography at Humboldt University, Berlin. He was visiting professor at the Universities of Bamberg (1986), University of California at Berkeley (1986, 1989, 1997-98), Frankfurt (1988), Klagenfurt (1996, 1998), Vienna (2001-02) and Zurich (1992). He also was Senior Research Fellow at the Department of Mathematics of Finance, Technical University Vienna (2001-2002). Since 2010 he teaches at the University of St. Gallen. His main fields of research are European Migration, ethnic and linguistic minority issues, and the impact of demographic change on social policy.
