**From Martinus Nijhoff : Peacekeeping and the Asia-pacific** before purchasing it in order to gage whether or not it would be worth my time, and all praised Peacekeeping and the Asia-pacific:

Peacekeeping and the Asia-Pacific explores the politics, challenges, and future of UN peacekeeping operations from the Asia-Pacific. The first section looks at contributions from the sub-regions: Northeast Asia, Southeast Asia, and South Asia. The second section of the book looks at individual country case studies including: Australia, Solomon Islands, Japan, and Thailand. The third, and concluding, section consists of a theoretical summary on the central

conceptual theme of Asian motivations for PKO contributions. This content was originally published in vols. 18:3-4 and 19:3-4 of the Journal of International Peacekeeping.
