**Terry Bryant : Personal Injury Law: An Overview for Texas Accident Victims** before purchasing it in order to gage whether or not it would be worth my time, and all praised Personal Injury Law: An Overview for Texas Accident Victims:

1 of 1 people found the following review helpful. A Useful Overview Specifically for TexasBy Peter T. BurkeThis is an excellent overview for Texas accident victims. It is not too complicated and it is not filled with meaningless Latin legal terms. This book is written in plain English and an excellent way for somebody who has personal injury issues to get started on how to deal with the various problems. Terry Bryant is a real practicing attorney in Houston Texas. I have spoken with him so I know he in not just a TV lawyer.The book does include some self promotion for the Terry Bryant Law Firm, but they don't charge to talk over the basics of your case in Texas.If you are an accident victim in Texas I highly recommend this book as a first step to a solution to the expenses of being somebody else's victim.

Ever wonder about how to proceed when you have had an accident? Or, do you have a case? This book isn't legal advice, it is a book written by Former Judge Terry Bryant that gives a unique educational viewpoint of personal injury law. The book goes step by step through the process from having the accident to transitioning to role of plaintiff. This book will help decode the legal jargon accident victims may encounter, as well as explain the entire process to the reader. If you have ever been in an accident, this book was written for you. Terry Bryant is a Former Judge who served the people of Harris County Texas. He is Board Certified in personal injury trial law by the Texas Board of Legal Specialization. Bryant is well known throughout Houston, for working tirelessly on behalf of his clients and the truth.

This book is an extension of what he offers his clients.
