before purchasing it in order to gauge whether or not it would be worth my time, and all praised Principles of Land Law:

The "Principles of Law" aims to provide the law student with texts on the major areas within the law syllabus. Each text is designed to identify and expound upon the content of the syllabus in a logical order, citing the main and up-to-

date authorities. This work covers land law. The "Principles of Law" books are the new edition of the "Lecture Notes" series.
