**Thomas Hazen : Principles of Securities Regulation, 3d The Concise Hornbook Series** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Principles of Securities Regulation, 3d The Concise Hornbook Series:

This title includes the most recent developments in securities regulation in an accessible format, including 1933 Act

offering reform. Authoritative coverage includes the registration process; exemptions; corporate recapitalizations, reorganizations, and mergers; market manipulation; liabilities; Securities Exchange Act of 1934; jurisdictional aspects; broker-dealer regulation and the new Financial Industry Regulatory Authority, and an overview of investment company regulation.
