Richard Stim Attorney : Profit From Your Idea: How to Make Smart Licensing Deals before purchasing it in order to gage whether or not it would be worth my time, and all praised Profit From Your Idea: How to Make Smart Licensing Deals:

5 of 5 people found the following review helpful. Must Read. Impressive.By Nick Impressed. In-depth but easy to follow. Layed out for instruction and setup as a future reference. Not complicated or dumbed down. What I learned in this book about contracts is applicable to many contracts we sign as part of our everyday personal lives. Best NOLO pub I've read so far.2 of 2 people found the following review helpful. Very thorough, well organized accurate, informative, and ...By Dave FlintVery thorough,well organized accurate,informative, and succinct!1 of 1 people found the following review helpful. Loaded with information!By CustomerI leaned alot of information I did not know. It has been very easy reading.

You've invented a great product and it's time for the next step. However, if you present an invention to a prospective buyer or licensee, it's no secret that your idea can be stolen. How can you draft an agreement that protects your interests? Turn to *Profit From Your Idea* to help you create, modify and understand nondisclosure agreements specifically for inventors. In addition to providing sample agreements and practical advice, this all-in-one guide helps you: understand the licensing process determine ownership rights work with agents effectively find potential licensees publicly show inventions without the risk negotiate a fair licensing deal draft a comprehensive licensing agreement deal with international licensing Disclosing your invention requires a balancing act: Presenting the best aspects of your invention while protecting the confidential aspects of your work. Use *Profit From Your Idea* to help you effectively maintain the necessary balance and minimize the risks of disclosure. The fully updated edition comes complete with the latest licensing case law and includes brand new FAQs, many from the author's popular blog, *Dear Rich: Nolo's Patent, Copyright Trademark Blog*.

Tells inventors everything they need to know to enter into a solid licensing agreement. *Electronic News* Gives detailed instructions on working with manufacturers, marketers and distributors... *Baton Rouge Advocate* Tells prospective entrepreneurs how to move an idea from thought to bought and roughly what inventors can expect to get in a licensing deal. *Los Angeles Times* "Stim walks readers through a comprehensive crash course in patent, copyright, and trademark law, with the aim of preparing inventors to negotiate and draft licensing agreements with corporations. Subjects covered include licensing, intellectual property protection, ownership issues for employees, invention financing and joint ownership, licensing agents, protecting confidential information, key elements to good agreement, money and royalty management, negotiation, and termination. He also includes boilerplate agreements, and walks the reader through their use. Stim is an intellectual property lawyer and Legal Editor at Nolo. He has published widely on patent, copyright, and trademark law." Eithne O'Leary, Editor Ringgold, Inc. ProtoView About the Author Richard Stim specializes in small business, copyright, patents, and trademark issues at Nolo. He practices law in San Francisco and has represented photographers, software developers, craftspeople, publishers, musicians, and toy designers.
